## FOR IMMEDIATE RELEASE

MARYDEL, Delaware - July 2, 2012 – The Baltimore County Fire Department has placed an order for two (2) additional Rosenbauer tractor drawn aerals. This is in addition to the initial order that was placed in December. These new units will be assigned to Truck 5 and Truck 13.

The new tillers will feature 2013 Spartan Gladiator chassis featuring an MFD cab with a 10” raised roof. A Cummins ISX15 500 HP motor coupled to an Allison 4000 EVS transmission will provide power. Additional chassis related features include Alcoa Dura-Bright wheels, Weldon V-MUX multiplexed electrical system w/driver’s interactive Vista III display, and a Spartan Chassis severe-duty interior trim package.

Each side of the Rosenbauer EXT extruded aluminum body will feature five compartments with the forward three being transverse. All compartments will be enclosed with hinged doors and illuminated by LED strip lighting.

The Rosenbauer Viper 100’ 4-section aerial ladder will be operated via Rosenbauer’s Smart Aerial operating system. Both the ladder and the outriggers will be hot dipped galvanized to prevent corrosion. During nighttime operations personnel will be able to safely operate on the aerial as it will be illuminated by blue LED ladder rung lights that stretch the length of all four sections.

Supplying electric power will be an Onan 12kW diesel generator. Scene lighting will of a combination of FRC Spectra and Evolution 12-volt LED lights. There will also be (2) Hannay electrical reels and (2) Hurst hydraulic reels located throughout the body. Other features include (6) FRC LED900-Q65 scene lights, Sigtronics vehicle intercom system, Whelen LED warning light package, and TecNiq E950 LED backup lights in the trailer wheelwell.

A family owned and operated company, DPC Emergency Equipment has continuously served public safety personnel in Maryland and Delaware for 22 years. DPC is an authorized sales and service dealer for Rosenbauer, Spartan Chassis, PL Custom, and Wheeled Coach in both Maryland and Delaware.
