FOR IMMEDIATE RELEASE

MARYDEL, Delaware - December 16, 2011 – The Prince George’s County Fire/EMS Department has ordered a Rescue 1 walk-around rescue demonstrator apparatus from DPC Emergency Equipment. This truck will be assigned to the Office of the Fire Marshal and designated as “FI 815”. Its primary function will be to serve as a mobile crime lab at fire, arson, explosive, and other hazardous incidents.

The 2009 Spartan Metro Star chassis is powered by a Cummins ISL 425 HP motor and features a MFD cab with a 10” raised roof. Mounted on the chassis is a 19’ walk-around aluminum body that features a built-in staircase in the rear of the body to access the roof area.

Supplying electrical power is an Onan 35kW PTO generator that will feed a pair of cord reels and a Will-Burt NS15-9000-OPT light tower. The compartments are illuminated by ROM LED V3 lights. Other Body features include a wide array of shelves, trays, and tool boards along with portable winch receivers on the rear and both sides. This vehicle is also equipped a Fire Solutions RRU CAFS unit with dual 30 gallon tanks.

A number of modifications will be made by Rescue 1 prior to delivery. This will include new warning lights, FRC Spectra 12-volt scene lights, changing the front bumper to a severe-duty style, along with many other alterations.

The truck was sold by Ron Willett.

A family owned and operated company, DPC Emergency Equipment has continuously served public safety personnel in Maryland and Delaware for 21 years. DPC is an authorized sales and service dealer for Rosenbauer, Spartan Chassis, PL Custom, and Wheeled Coach in both Maryland and Delaware.
