FOR IMMEDIATE RELEASE

Thirty-One Years and Going Strong

To all our valued customers. DPC Emergency Equipment is proud to be celebrating 31 years as a family-owned and operated business. We operate in the Maryland and Delaware market, where we continue to represent Rosenbauer, PL Custom, Rescue1 and Blanchet for product sales and service, and we currently have all these products in our portfolio. Our Dealership is very strong, as are the brands we represent, and we will be here to continue our superior service tradition. Please contact us directly if you have any questions or concerns. Thank You to all our customers for your business and support over the past 31 years!

Looking Forward to 31 more years!
